Fulfilling Christ's Mission in the World

Sometimes, you need a helping hand. There are times when you face a challenging situation, and you need

someone you trust to listen to your concerns, bounce ideas off of, and let you know you are not alone. This has always been true, but now more than ever, in our complex and complicated society, you need a partner you can turn to. Where do you turn when your congregation needs to move from a full-time pastoral leader to a part-time pastor who is bi-vocational, working in a secular position and for the church? Who do you call when your church is facing legal matters beyond the capability of the local congregation? What resources are available when your church has an idea to launch a new outreach ministry but needs seed money and coaching to make it happen?

ABCOPAD is there to help. Our Geographic Pastoral Servants help churches through pastoral transitions, serving as consultants and assisting Search Committee to find interim ministers along with bi-vocational and co-vocational pastors. ABCOPAD has a Regional Attorney on retainer, offering valuable legal consultation when a church faces challenging legal issues. ABCOPAD offers a Spring and Fall Grant Cycle every year. It provides seed money and coaching for congregations to launch new ministries through community outreach, sharing the Gospel through evangelism, and service to its neighborhood.

All of this is made possible through your generosity and faithful contributions. Giving to ABCOPAD's Partners in Ministry Offering makes ministry possible. Thank you for your contribution in 2024 and for your partnership in 2025. We are excited to see more people make decisions for Jesus, make public professions of faith through baptism, and become disciples of Christ, serving as the hands and feet of Jesus in 2025.
