

Partners in Ministry Fulfilling Christ's Mission in the World

In December, Hepburn Baptist Church partnered with ABCOPAD to do a recovery trip to Western North Carolina after Hurricane Helene. The team worked on numerous projects to help a few families

return to their homes after the flooding. They installed base flooring in the house to close up holes where the floor rotted, insulated the outer walls of the house and did a little bit of drywall in the house. This prepared the house for the next team to come in to continue the work. One of the best parts of the week was helping the homeowner dream about moving back home after the hurricane.

It seems like we are in a never-ending cycle of natural disasters in this country. We have seen the destruction of hurricanes in the Gulf Coast and Eastern Seaboard. Recently we have watched the devastation of the wildfires in Los Angeles. Over the last 20 years, churches from ABCOPAD have responded to natural disasters in the United States. ABCOPAD provides opportunities and partnership for our churches to join in the life-altering work of recovery after natural disasters. Sometimes churches in ABCOPAD associations have joined together in work trips. Other times trips are led by ABCOPAD or an individual church.

God is using ABCOPAD as hope-bearers and his servants of love and restoration in disaster areas.

We encourage churches and friends in ABCOPAD to give to the **Partners**

in Ministry offering.

Partner with us, in being God's hands and care when natural disasters affect our county.
