

Partners in Ministry Fulfilling Christ's Mission in the World

I have grown up in ABCOPAD. My journey took me from a pastor's kid at First Baptist in Sharon, to now serving as a pastor at Christ's American Baptist in Spring Grove.

Along the way, I have had countless people pour into my life and calling in ministry. There are many people who helped grow me into the servant God is working through today.

ABCOPAD helped build my faith in Jesus, guided me along the way in my calling and ordination in ministry, and provided the network that led me to the church I call home today. Not only did this Region help and guide my steps, but they also helped my church as a new church plant at about the same time my life began. It was through many faithful men and women from around our Region that CABP became a place for worship for many in South Central PA.

Today ABCOAPD is still working to support today's pastoral leaders as well as growing the next generation of leaders who will serve Christ's Kingdom in our corner of the globe. ABCOPAD continues to seek the strength and growth of our local churches, so they are resourced and prepared for ministry for today and the future.

Your support through Partner's in Ministry helps to provide for the staff and resources to connect, support, and strengthen the pastoral leaders and the churches serving throughout PA and DE. I am thankful for those who have poured into me in the past, and I am grateful that I get to serve alongside so many who are seeking to continue to pass down the message and responsibility of the Gospel in our Region and the world today. We thank you for partnering with us in this mission in 2025.
